

<b>AMC:</b>	<b>DIN-Material Safety Data Sheet</b> According to EU REACH 1907/2006	<b>INTERCOAT</b>
<b>DINSDB-1.01</b>	Revision:	Page 1 / 2
Resp.: Dr. N. Hamou	Exam. Dept. F&E	Released: Dr. N. Hamou
Date: 30.03.2015	Date: 30.03.2015	Date: 23.03.2021

<b>Material: PVC</b>		<b>Serial: PVC-Series</b>	
1.1	<b>Chemical Characterisation: PVC film combined with waterbased adhesive with siliconized backing paper</b>		
1.2	<b>Form:</b>	1.3	<b>Colour:</b> various
		1.4	<b>Odour:</b> - - -
2.0	<b>Physical and Safety technical Dates</b>		
2.1	<b>Change of Condition:</b>		°C
			°C
2.2	<b>Thickness:</b>	( °C)	1,07 – 1,30
	<b>Bulk Density:</b>	( °C)	g/cm <sup>3</sup>
			kg/m <sup>3</sup>
2.3	<b>Vapour pressure:</b>	( °C)	n.a.
		( °C)	mbar
			mbar
2.4	<b>Viscosity:</b>	( °C)	n.a.
		( °C)	
2.5	<b>Solubility in water:</b>	( °C)	insoluble
	<b>in:</b>	( °C)	g/l
			g/l
2.6	<b>pH-value:</b>	( °C)	(with ---g/l H <sub>2</sub> O)
2.7	<b>Flashpoint:</b>	n.a.	°C
2.8	<b>Ignition temperature:</b>	n.a.	°C
2.9	<b>Explosive limit:</b>	<i>lower:</i> - - -	<i>upper:</i> - - -
2.10	<b>Pyrolysis at duly storage and handling : None</b>		
2.11	<b>Hazardous products of decomposition at duly storage and handling:</b>		
2.12	<b>Hazardous reactions:</b>		
2.13	<b>Further data:</b>		
3.0	<b>Transport: GGVSee/IMDG-Code</b>	<b>UN-No.</b>	<b>ICAO/IATA-DGR</b>
	<b>GGVE/GGVS</b>	<b>RID/ADR</b>	<b>ADNR</b>
	<b>Further data:</b>	PVC Serial 3000 = no dangerous goods with regard to the Direction of Dangerous Goods	
4.0	<b>Regulations:</b> PVC Laminate All PVC-Series do not consist dangerous goods with regard to the Direction of Dangerous Goods. No identification is required according to this Direction.		

DIN 52900 –

<b>AMC:</b>	<b>DIN-Material Safety Data Sheet</b> According to EU REACH 1907/2006	<b>INTERCOAT</b>
<b>DINSDB-1.01</b>	Revision:	Page 2 / 2
Resp.: Dr. N. Hamou	Exam. Dept. F&E	Released: Dr. N. Hamou
Date: 30.03.2015	Date: 30.03.2015	Date: 23.03.2021

<b>5.0</b> <i>Protective measures, storage and handling</i>		
5.1	<b>Technical Protective measures:</b>	No attention of the general regulation of the preventive regulation against fire protection.
5.2	<b>Personal Protective equipment:</b>	<b>Inhalation protection:</b>
		<b>Hand guard:</b>
		<b>Eye guard:</b>
		<b>Others:</b>
5.3	<b>Work hygiene:</b>	No special
5.4	<b>Protection against fire and explosion:</b>	PVC Laminate being flammable by developing of hydrogen chloride (HCL) and flammable compositions
5.5	<b>Waste disposal:</b>	To be destroyed with domestic wast with regard to the local Govern regulations
<b>6.0</b> <i>Action in case of Accident and/or Fire</i>		
6.1	<b>if</b> <input type="checkbox"/> Spillage <input type="checkbox"/> Leakage/ <input type="checkbox"/> Gas leakage:	
6.2	<b>Suitable extinguishing agents:</b>  <b>Do not use:</b>	Water, CO-2-foam, solid extinguishing agents
6.3	<b>First Aid:</b>	
6.4	<b>Additional data:</b>	During burning PVC hydrogen chloride (HCL) will be developed
7.0	<b>Indication for Toxikology:</b>	No damage caused to somebodys health if handling is in accordance to regulations
8.0	<b>Indication for Ecology:</b>	No effect to the Environment
9.0	<b>Further Indications:</b>	

*DIN 52900 The above information are based on the today's knowledge and experience. This Material Safety Data sheet provides a basis of description of the products with regard to the requirements of security. All data are not to be taken as a warranty of properties.*
